We read in the Old Testament of piles of stones or stone pillars being used as a long-lasting visual reminder of God's goodness and favour. In the morning communion service on 28th December there will be an opportunity for each of us to look back over the last year and testify to God's grace and favour. We invite you ahead of time to think about what you would write on your own altar of thankful stones. There will be an opportunity for you to briefly share the testimonies in the service if you wish.

Please use the  
Christmas Flyers  
to invite friends,  
neighbours and  
family to our  
Christmas  
Services
