Update

Safeguarding Training Reminder

Safeguarding training will take place after the morning service today, for those people who have received an email invite.

If you are unable to attend we will be organising another date.

Welcome

to our Service today. Please stay after the service for coffee or tea and get to know some of us a bit more.

Today is Family style service and children stay in for the whole time. Normally, there is a Cabin Crew for primary school age children during the preaching of God's Word.

Sometimes there is also a Teen Track for secondary school age youngsters during the preaching.

If you would like prayer following the service there will be people at the front of the church who are willing to pray for you.
